

A Few Genetic Genealogy Resources

International Society of Genetic Genealogists www.isogg.org

Richard Hill, [Finding Family: My Search for Roots and the Secrets in My DNA](#)

Richard bridges the fields of genetic genealogy and adoption search. The book describes his search as an adoptee for his biological parents.

At DNA-Testing-Adviser.com, he shares his success secrets and tips with other adoptees and genealogists.

Emily D. Aulicino, [Genetic Genealogy, The Basics and Beyond](#). 2014.

In addition to clear, understandable explanation of the science, the book contains lists of additional resources – blogs, websites, books, and journals; and a Glossary of Terms

Emily's blog: <http://genealem-geneticgenealogy.blogspot.com/>

Roberta Estes's blog: DNA-EXPLAINED.COM

CeCe Moore's blog: <http://www.yourgeneticgenealogist.com>

Terry Barton's blog: <http://www.worldfamilies.net/terrybarton>

Terry manages numerous Surname projects

Judy G. Russell's blog: <http://legalgenealogist.com>

www.gedmatch.com Free 3rd party location for matching those who have tested at other companies.

There are numerous tools on the site. You may want to check YouTube for how to use them to best advantage.
